Men's grooming starts with shaving.

Since the times of ancient Rome, shaving is a real cult in Italy.

**Tell me how you shave, and I will tell you what kind
of man you are.**

**If you use Estérel pH man care line, I can tell you, you know
what you want.**

**Selective and demanding, you are perfectly aware that your
lifestyle begins in your bathroom, in front of your mirror.**

**Clean, fresh, tonic and radiant, so looks the face of all Estérel pH
men, no matter their age and where they live, you will recognize
the Italian Style on their face wherever they are.**

Crème Rasage pH

Jar 150 ml NET WT. 5 OZ.

Start your day with a caress, softly massage this cream on your face for performing a memorable shaving, or just a perfect morning cleansing. The special feeling will befriend you along the whole day, people will notice the wellness on your face and the light smile of the man, who loves life. Use a small quantity for washing or shaving your face, then rinse.

Baume Après Rasage pH

Jar 150 ml NET WT. 5 OZ.

What about a moisturizing, calming, tonifying balm, restoring freshness and radiance after the cleansing and/or the shaving? Don't miss the opportunity of blessing your skin with this face tonifying balm. Apply like a cream on clean face, do not rinse.

Lotion Anti Age pH

Bottle 150 ml 5 FL. OZ.

More than an after-shave, this is the perfect face lotion for men. Alcohol free, Lotion Anti Age pH is a real complete treatment for face, relaxing the age signs, restoring the correct skin balance, soothing and giving a seducing mat-effect. Lotion Anti Age pH will become your best friend, sharing with you your new life-stories. Spray it on clean face, tap with the fingers and let it dry. Do not rinse.

Déo pH

Bottle 150 ml 5 FL. OZ.

The natural Deodorizer, delicate and Aluminium free, with a seducing fragrance for a long lasting pure freshness. Freedom starts from the right deo, your choice can change your day. Spray after cleansing, do not rinse.
